HISTORY DAY 2009

"The Individual in History: Actions and Legacies" is this years History Day theme. We have many wonderful resources available in the IMC for students working on History Day projects; give us a call and we will put together materials relating to any topic. We can help with primary and secondary sources, and don't forget that students can use all content from Discovery Education Streaming Video to enhance their presentations! Look for the "citations" tab to simplify the bibliography process inside Discovery Education. If you have questions or need assistance accessing your account, call Anne Hinchcliff at 842-8430 or Cheryl Hayden at 842-8428. We are here to help!
